

Battlegroup weapons

These prayers are all very old and very powerful. I will add to them as I find them. Keep them near, so that when the battle is hot they can release their power.

*** 5. The broom of devotion**

This very old Irish text is dated as from the 8th century. This lovely old prayer turns our eyes to Jesus and reminds us of his power and strength. Very useful if things are going hard against us.

**O Holy Jesus
Gentle friend
Morning star
Midday sun adorned**

**Brilliant fame of righteousness
Everlasting and eternity
Fountain ever new, ever living, everlasting**

**Heart's desire of Patriarchs
Longing of Prophets
Master of Apostles and disciples
Giver of the Law
Prince of the New Testament**

**Judge of doom
Son of the merciful Father
Son of the true Virgin Mary
True and living brother**

Grant us your holy grace.
