

DAILY PRAYER FOR THE CHILDREN

Pray every day.

Pray when you are in church

and at home, at school and at play.

Pray whether you are happy or sad,
worried or glad.

Pray for every reason under the sun

to the God who made that sun – and everything else.

Pray for yourself and for others.

Pray with confidence and with your heart

full of thanks for God's never- ending goodness.

God loves your prayers.

God loves our prayers.

God loves you.

God loves us.
